Subject: Initial M&E Report for the research projects

Dear ***Dr. Esperal***:

In behalf of the Research Monitoring and Evaluation Team (MET), I am submitting the Initial M&E Report for the research projects entitled: "Development of GSM-controlled Bamboo Cutter Using Arduino" and "Design and Development of Automated Coconut De-husking Machine Using Raspberry Pi". Also, I am requesting for the endorsement of the same to the Office of the Research Services. Thank you very much.

Respectfully yours,
