

REPDI

Vision, Mission, and Goals

Vision

SLSU as a center of transdisciplinary research projects and responsive extension services.

Mission

The REPDI commits to undertake continuous innovations in research and to develop a sustained culture of delivering quality extension services that support the national and global development goals.

Goals

1. Premier Research University that generates S&T-based innovations; and,
2. Training institution that promotes gender-responsive, climate-resilient, and community-driven development for all.

RDE PROPOSAL WRITESHOP

WORDS OF ACKNOWLEDGEMENT:

We would like to extend our deepest gratitude to the SLSU Administration, the HRMO, and the FSDP unit for extending to REPDI their assistance that is highly instrumental in the realization of this writeshop series.

We also give our heartfelt appreciation to the Campus Directors, as well as their faculty members and non-teaching employees, who consistently showed enthusiasm in ensuring the success of this undertaking.
