Dear Dr. Nantes,

Greetings!

As part of our commitment to promote excellence and innovative undergraduate research across disciplines, the **Dr. Cesar A. Villariba Research and Knowledge Management Institute (DCAVRKMI)** will hold the **12th Student Research Congress** on **June 06, 2023, Tuesday via Zoom, 8:00 am to 5:00 pm.**

The Student Research Congress is the signature event on campus for undergraduate research, showcasing the best of undergraduate research and creative inquiry at the MSEUF. In addition, this academic gathering aims to showcase students' research according to the standards prescribed by the university.

In connection with this, we would like to invite **Dr. Renato Maaliw III** (Dean, College of Engineering) and **Prof. Gino Cabrera** (Assistant Professor II, Psychology Program, CAS) to be one of our judges in the said event.

Students will be given awards in a variety of disciplinary categories. As a judge, they would be asked to identify the best research presentation, categorized on the merit of their domain expertise and the student's general presentation skills. We hope you will find value in helping us foster a culture of discovery and participating in this celebration of student innovation and excellence.

You may contact The Secretariat c/o Prof. Jalbuena at 09159505964 or email her at jalbuenamacecilia@mseuf.edu.ph. We earnestly hope for your positive and warm response on this matter.

Sincerely,

PROF. MARIA CECILIA M. JALBUENA
