Subject: Monitoring and evaluation of the ongoing research projects

Dear **Ms. Enal:**

I have the honor to request the monitoring and evaluation of the university's ongoing research projects. As agreed, the particular projects to be monitored are those in the middle of implementation and before completion based on each study's duration.

For your ready reference, attached hereto is the complete list of all the ongoing research projects, including their work plan, budget, and the tentative schedule of the visit to the site. However, inclusive dates of this activity are not specified, which shall be decided upon by team members.

Thank you very much for the usual assistance that you continue to favor us.

Very truly yours,

DELIA R. BABILONIA, PhD
Director, Office for Research Services
