

## VISION

Southern Luzon State University as an excellent academic Hub in its curricular programs, transdisciplinary researches, and responsive extension services.

## MISSION

The University commits to develop a sustained culture of delivering quality service and undertaking continuous innovations in instruction, research and extension in its relevant curricular programs supportive of national and global development goals.

## GOALS

1. Center of teaching excellence.
2. Premier research university that generates S&T-based innovations.
3. Training institution that promotes gender-responsive climate-resilient and community-driven development for all.
4. Wider platform for student and personnel development.
5. Facilities that support student learning enhancement and personnel's healthy working environment.
6. Strengthened local and international academe-industry and alumni linkages.
