Dr. Marisa C. Esperal
Vice President, PREPD
SLSU

Attention: Dr. Delia R. Babilonia
Director, Research Services, SLSU

Dear Dr. Esperal,

The first batch of our students of BSA and BTVTEd who are enrolled in Research subject will present their research proposal (Chapter I- III) on Thursday January 28, 2021 in SLSU Tayabas Campus, Brgy. Ibabang Palale, Tayabas City. These proposals will be their undergraduate theses as requirement for graduation on 2022.

Related to this we are requesting the Research Services of SLSU to help us. They will act as critic or panel member. Likewise, please provide us updates on the recent development of research activities of the university. After the presentation of research proposals I will invite them to visit the Dwarf Coconut Demonstration Farm of the campus.

I am looking forward for your favorable action. Thank you very much.

Very truly yours,

MOSES T. MACALINAO
Campus Director
