## REPDI Vision, Mission, and Goals

#### Vision

SLSU as a center of transdisciplinary research projects and responsive extension services.

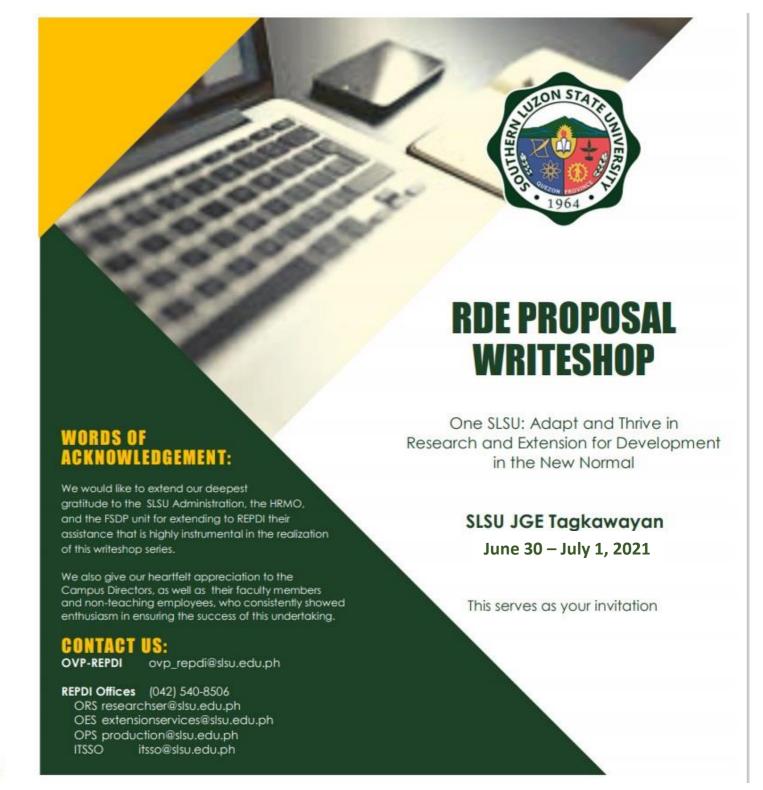

### Mission

The REPDI commits to undertake continuous innovations in research and to develop a sustained culture of delivering quality extension services that support the national and global development goals.

#### Goals

 Premier Research University that generates S&T-based innovations; and,

 Training institution that promotes gender-responsive, climate-resilient, and community-driven development for all.
